PRE- ANNIVERSARY NUMBER

Next year Redondo Union High School will be fifty years old. To mark this fact the PILOT presents its Pre-Anniversary Number, celebrating forty-nine years of high school history. This book will attempt to trace the growth of the old campus and the development of student activities.

You will probably not be surprised to learn that in the beginning there was a bond election. This money purchased the Chautauqua building, a multiple-sided auditorium originally located on the site of the present district offices. In the early days South Bayans were entertained and enlightened here by distinguished lecturers who traveled the Chautauqua circuit. The large picture at the right, taken in 1900, reveals the south side of the building and the tent platforms of the campsite that provided shelter for the visitors who came to hear the noted lecturers.

The small insert picture shows the remodeled building as it opened to house R.U.H.S. It contained five classrooms, two science labs, an office, a furnace room and a faculty of four. "The entire structure was wired for electric lighting and electric bells," says the 1906 handbook, proudly. After one year of light schoolkeeping in two upstairs rooms of the original Masonic Temple, the Red and White moved into its first official home.

Mrs. Chisholm

The first publication to appear on the campus was the *Sandpiper* which combined the literary efforts of the students, various news items, and the annual reports of a yearbook. The *Piper's* eldest descendant, the *PILOT*, first appeared in 1915 and has been published continuously since 1923. Shortened wartime numbers were published in 1944 and 1945 as *The Log*. The yearbook strives to present a record of the graduating class and to review the activities and achievements of the year.

The *Sandpiper's* second offspring was the *High Tide*, mimeographed first in 1919-20. The paper grew rapidly, being printed the next year by the Reflex Company. It was published bi-monthly until 1923 when it became a weekly. It assumed its present form in 1940 when it grew to five columns.

The third of R.U.H.S.'s publications, the *Compass*, appeared first in 1929 as a brainchild of the English department. It took over the presentation of student literary efforts from the *PILOT*. In 1933 the Writers' Club was founded and continued the project. This club changed its name to the Penpointers in 1937, and has continued to publish the *Compass* as an annual magazine composed of poetry, sketches and short stories written by the students.

Paul,

each other for a long
time, remember? You are
a swell kid with a
wonderful personality. May
you always stay as swell
as you are. The best always.
Beverly Criswell

The first buildings designed solely for R.U.H.S. were the Auditorium, the Language Arts wing and the Business Education wing, which composed the central unit, completed in 1915-16. Following the 1933 earthquake, the Auditorium was remodeled and is still a memorable landmark. In 1946 the Business Education wing, the most severely damaged of the three, was torn down. The Language Arts wing, used continuously by the school until 1950, now houses the superintendent's offices.

CLASSES

Early in 1924, the Lincoln Building became a distinguished feature on R.U.H.S.'s rapidly growing campus. The impressive structure held a considerable amount of new English, math and foreign language classrooms. Although surviving the 1933 earthquake, it did not fulfill state requirements; however, its classrooms were not abandoned until December of 1951.

Paul,
To a really swell guy who
I couldn't have done without

TOM HESTERBERG from Munich, Germany, enjoys life at Redondo devoting his time to art, tennis and his friends. He plans to become an artist or go to Tiajuana.

ROLAND MOHRMANN from Bielefeld, Germany, found music and drama some of Redondo's attractions. His plans for the future are to go into teaching or youth work.

All four students "think Redondo is great"!

Through the aid of the American Field Service, four exchange students have studied on this campus this year. This is the first group Redondo has had.

MARIE ANNE PICARD from Lyon, France, is an honorary member of the Girls' League Executive Board and the G.A.A. Board. She enjoys working in Cognotai, too. She would like to become a doctor when she returns to France.

HELLA FESEFELDT from Gottingen, Germany, loved working as an honorary member of Girls' Court, G.A.A. Executive Board and Semper Comites. She will go into teaching or social work following her return to Germany.

ACTIVITIES

One of the oldest and most interesting buildings on the campus is the Auditorium, which the school uses for various meetings, assemblies, plays and concerts. Damage from the 1933 earthquake necessitated the remodeling of the interior of the structure in the next year, and the removal of the distinctive columns twelve years later. The building, still in good condition, continues, also, to house a variety of community projects of a musical, theatrical, or educational nature.

Students at R. U. H. S. have run their own government since 1910. There was a constitution formulated in 1912; it was revised to a commission form in 1924, acquired additional members in 1931, and took its present form in 1949, with the election of the president by the entire student body.

This year, in addition to the Associated Student Body Council, a second body has been constituted to broaden student influence in self-government, the House of Representatives. This group is made up of members, elected on a basis of one for each sixty students in each class (Senior, Junior, Sophomore, Freshmen). Mr. Snyder is sponsor for the Council, and Mr. Gonzales, for the new House.

Sixth period, every Friday, is once more a meaningful experience.

Pictured below are the Black Gang, the print shop crew who roll the presses, probably the same ones R.U.H.S. set up shop with in 1927. "RUTH"

In 1910 when "Mr. Bob" appeared in the Pavillion auditorium, senior class plays became a tradition at R.U.H.S.

This year Norman Krasna's two-act comedy "Dear Ruth" was presented by the class of '54. The hilarious action centered around Miriam, Ruth's kid sister, who wrote letters to Lt. Seawright signing Ruth's name.

The cast included *Ruth*, Elaine Sheldrake, *Lt. William Seawright*, Ross Bushhousen, *Mrs. Wilkins*, Pat Clark, *Judge Wilkins*, Phil Yettra, *Miriam*, Jean Myers, *Albert Kummer*, David Haynes, *Dora*, Hella Fesefeldt, *Martha Seawright*, Sue Regan, *Sgt. Chuck Vincent*, John Dunzer, *Servicemen*, John Birkenstock, Mowry Baden, Skip Lusk, and Jerry Watson.

Because of unexpected illness, Elaine was unable to be in the matinee performance. Mrs. Merelyn O'Donnell, drama coach, substituted.

THE CAST

"WILLIE"

Since the early Twenties, Junior plays have been an established R.U.H.S. tradition. The 1923 PILOT tells us "The Rivals," an old English comedy, was produced by the class of '24.

Double casts of "The Inner Willy," a three-act comedy by Betty Knapp, the class of '55's presentation, included Henry Thomas, David Barnett, Shan Fanelli, Kim Guymon, Diane Berry, Dick Keelor, Bill Ewing, Janet Huffman, Jane Dye, Margaret Weeding, Joanna Harrington, Ron Colvin, Bill Thompson, Pam Orman, Diane Deffenbaugh, Colleen Rudolph, Jim Shmitka, Bob DeSimone, Sue Maricle, Sue Haines, Bette Higgins, Bobbie Phillips, Don Phinney and Patti Bevan were student directors while Fred Eiserling was stage manager.

VARSITY SHOW page 83

With the presentation of the 1939 Varsity Show, another Sea Hawk tradition was begun. This year's show, "Paris Rebound," was truly an all-student enterprise. It was written, produced, and directed by the students of Redondo and proved to be one of the most successful of these musical, variety revues to date.

SHAKESPEAREAN FESTIVAL

page 84

The Shakespearean Festival was first presented in 1937 under the direction of Miss Agnes Murdoch, Mrs. Tillie Palmer, and Miss Dorothy Delavan. It was presented as a series of famous scenes from the works of Shakespeare.

The fifteenth production of the festival, sponsored by the English department and the Thespians, was "Twelfth Night" and was presented during Public Schools Week. The play was double cast.

THESPIANS

page 85

The THESPIANS began life as the Barnstormers back in '36. They changed their name in '47 by affiliating with the national organization of the same name. This year they have produced two outstanding short plays: "The Lost Elevator," a fantasy of young love, capitious characters and an errant lift; and "Two Crooks and a Lady," a brief, realistic melodrama; and a program of three short plays, "The Dyspeptic Ogre," "Balcony Scene," and "Murder by Morning."

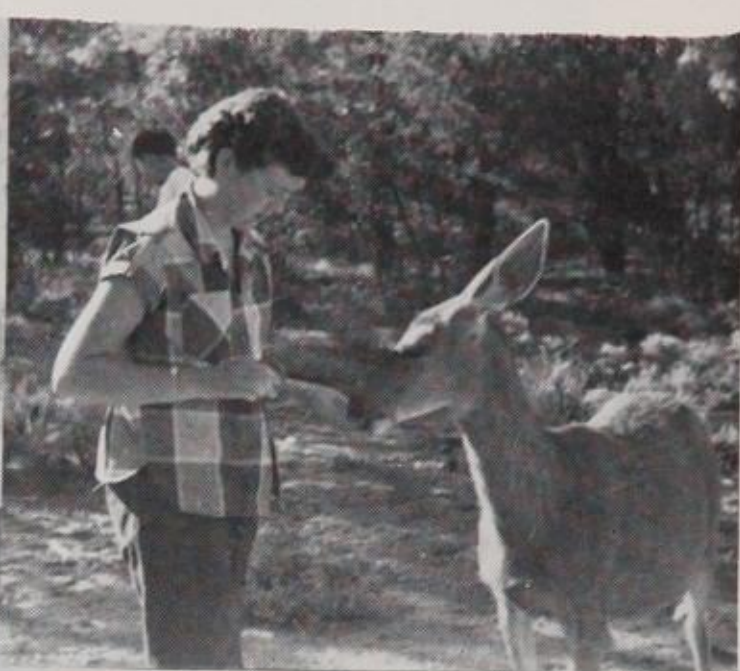

Thespians also enrolled in the drama class aided in presenting the Noon Theater, a series of short productions designed to show the history of the play from *Antigone* to the present.

Hey Paul,

This is not a line of bag of Bandini but I think
 think you have great understanding of people - From
 the 4th grade you've made yourself known (this isn't
 being mean but) in one way or another - At Redondo you've
 become a truly good person with a large following of
 people that - to you
 may seem just really think you
 are at old

Dear Paul,
 I know one of
 really had balls in the old car.
 See you this summer.

The PILOT of 1924 speaks proudly of the "new gym" built to contain the physical education classes which had outgrown the Continuation building. Both boys and girls shared the building until 1931 when the lads migrated and the place became the Girls' Gym. The lasses continued to use it until the fall of 1951, when, scorched and outgrown, it was at last abandoned for the present modern edifice.

Football became a campus feature in the fall of 1915. During its early years the squad was not always able to man both heavyweight and lightweight teams. However, Redondo's record is second only to Samohi in Bay League competition; the Seahawks have collected six loop titles, have been edged out of one C.I.F. tilt, and have taken one Southern Section (C.I.F.) crown (1942). The Beehawks have taken the local laurels in '43 and in '50.

Tartars and Indians versus the Varsity

VARSITY—Back row: Coach Seifert, Hughes, Sorenson.
 Middle row: Sturges, Trimble, Madrid, Sankey. Front row: Cawdrey, Goldstone, Marshall.

BASKETBALL

page 94

Organized BASKETBALL apparently invaded this campus along with the founding of the Bay League in the season of 1913-1914 although courts were completed in 1910. The four team classification has been continuous since the early Twenties, with the fives divided into Heavyweights, Light Heavyweights, Midgets and Fleas, originally.

Later these divisions became the Varsity, Bee, Cee and Dee teams. This year a further revision has shifted classification to Varsity, Junior Varsity, Bee and Cee.

JUNIOR VARSITY—Back row: Kelly, Hoyem, Kennedy, Millett, Jenkins. Front row: Geach, Leagett, Duarte, McMillan, Coach Seifert.

BEES—Back row: Lujan, Nakauchi, Valenzuela, Sturges, Karavas, Striff. Front row: Coach Kincannon, Seifert, Bates, Dailey, Combs, Moore.

In this sport the Seahawks have dominated the local loop. The Varsity has a record of C.I.F. competition in '36, '40, '43, and '53. It also holds eleven Bay League trophies; the Junior Varsity, four awards; the Bee squad, eight cups, including one for 1954; and the Cee babes, nine plus a piece of hardware which marks a five-year ascendancy in seashore play (1945-1950).

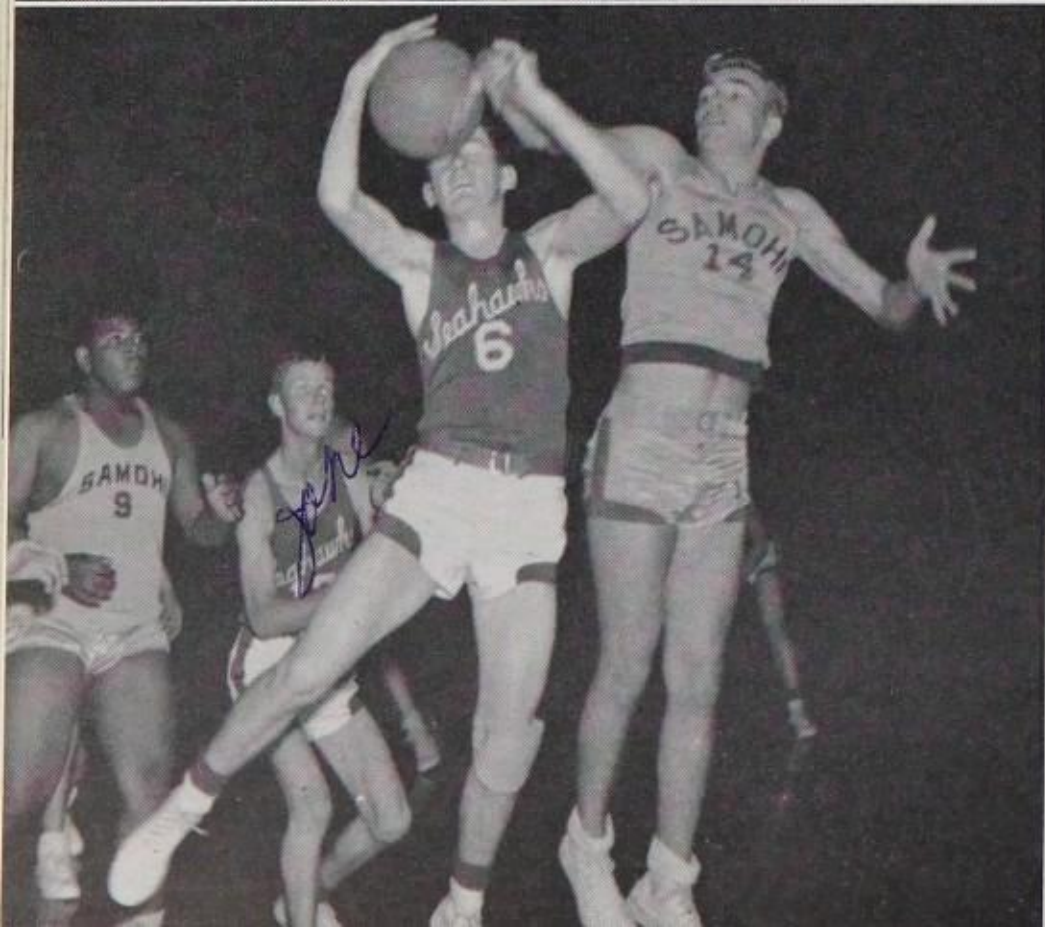

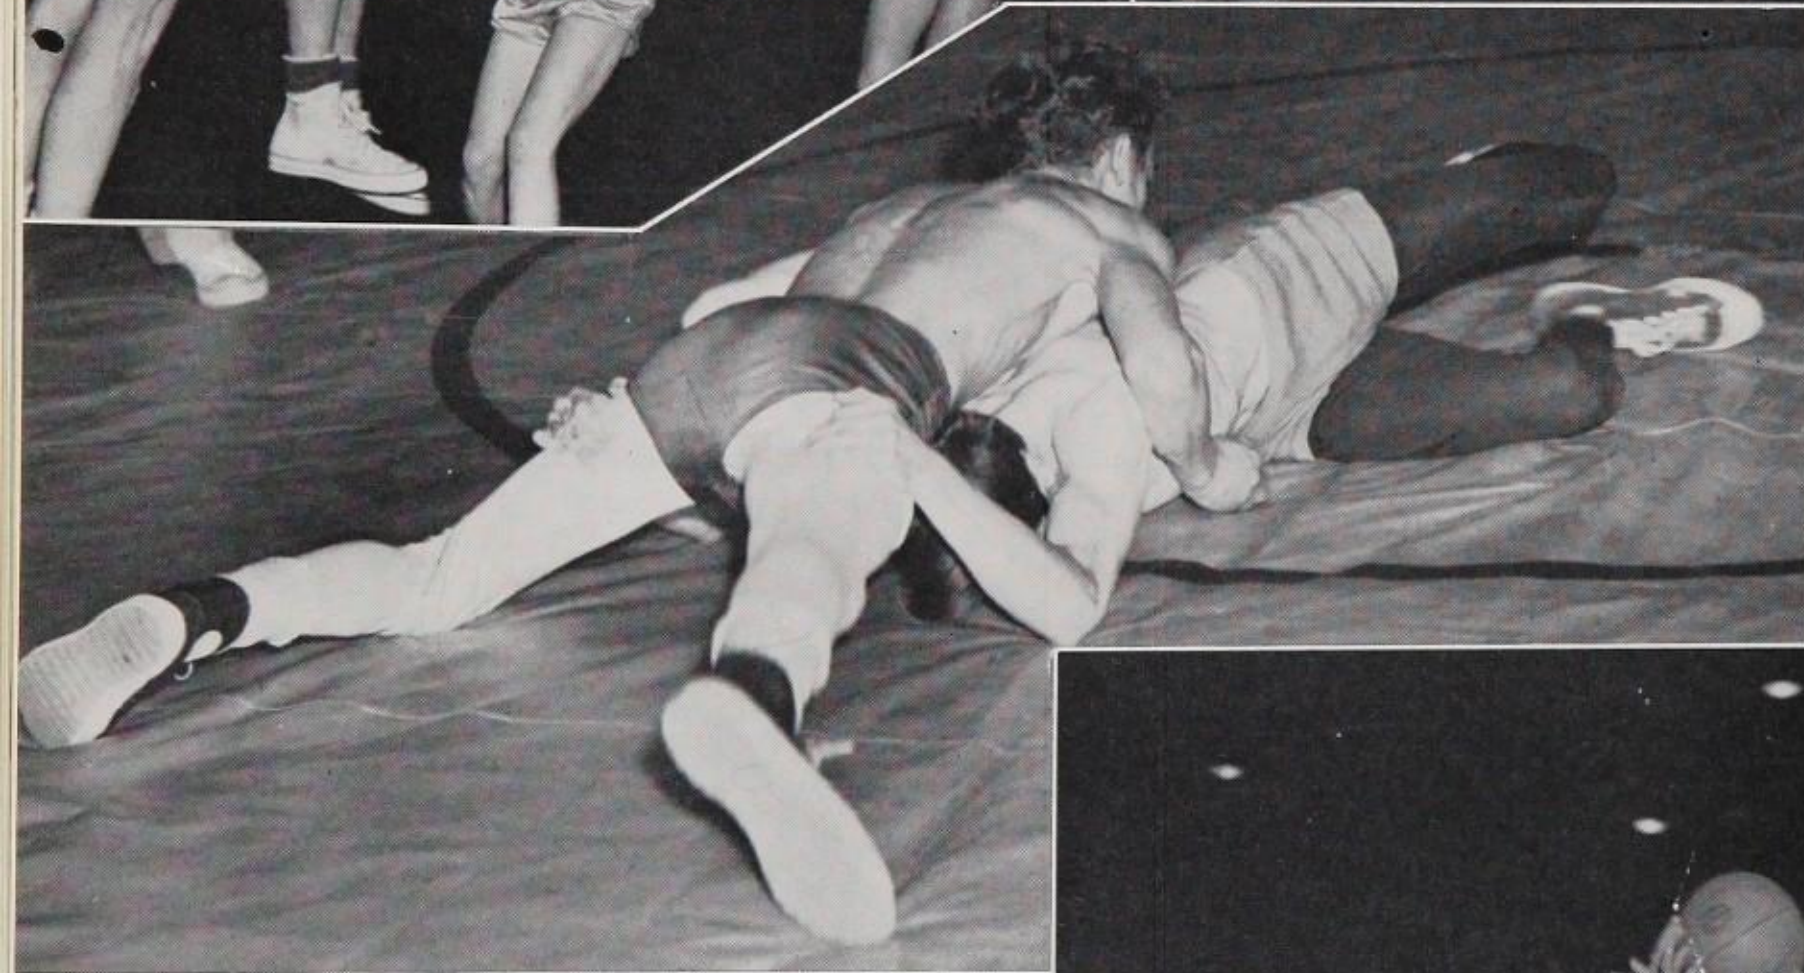

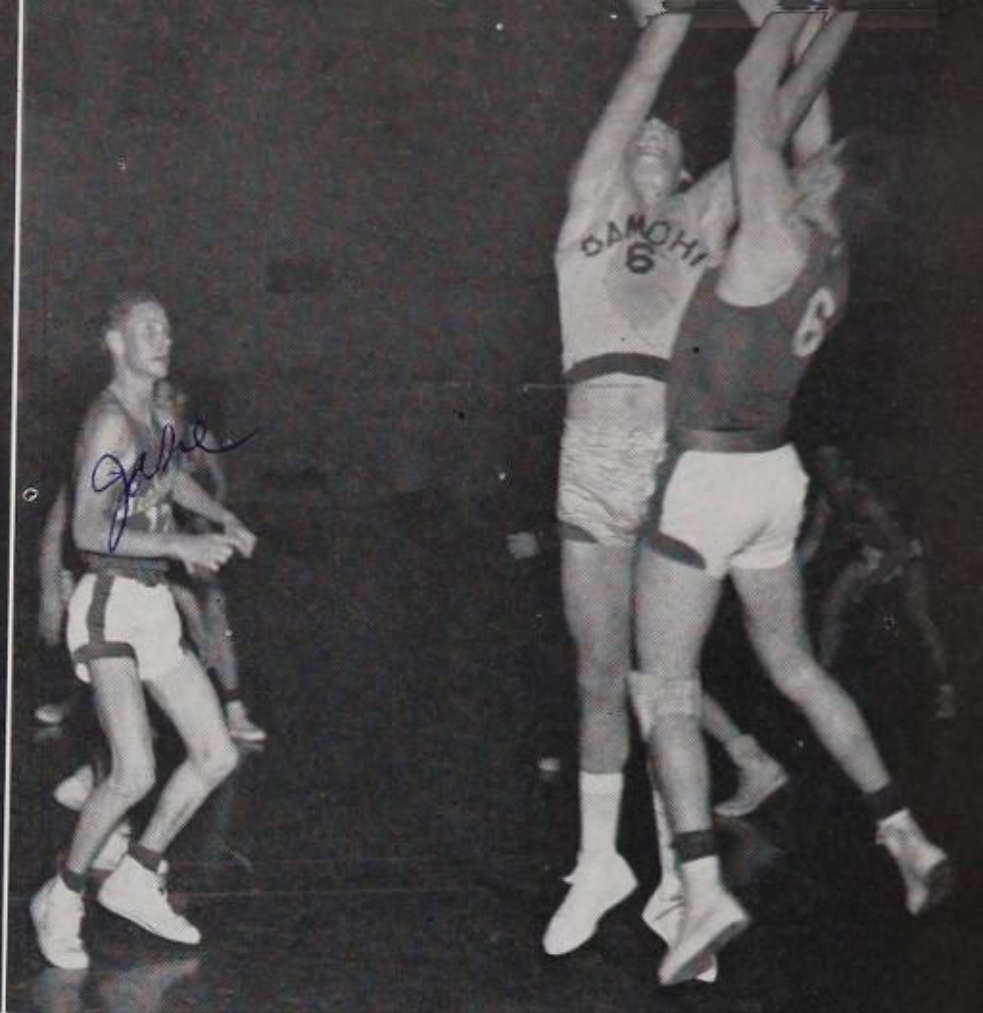

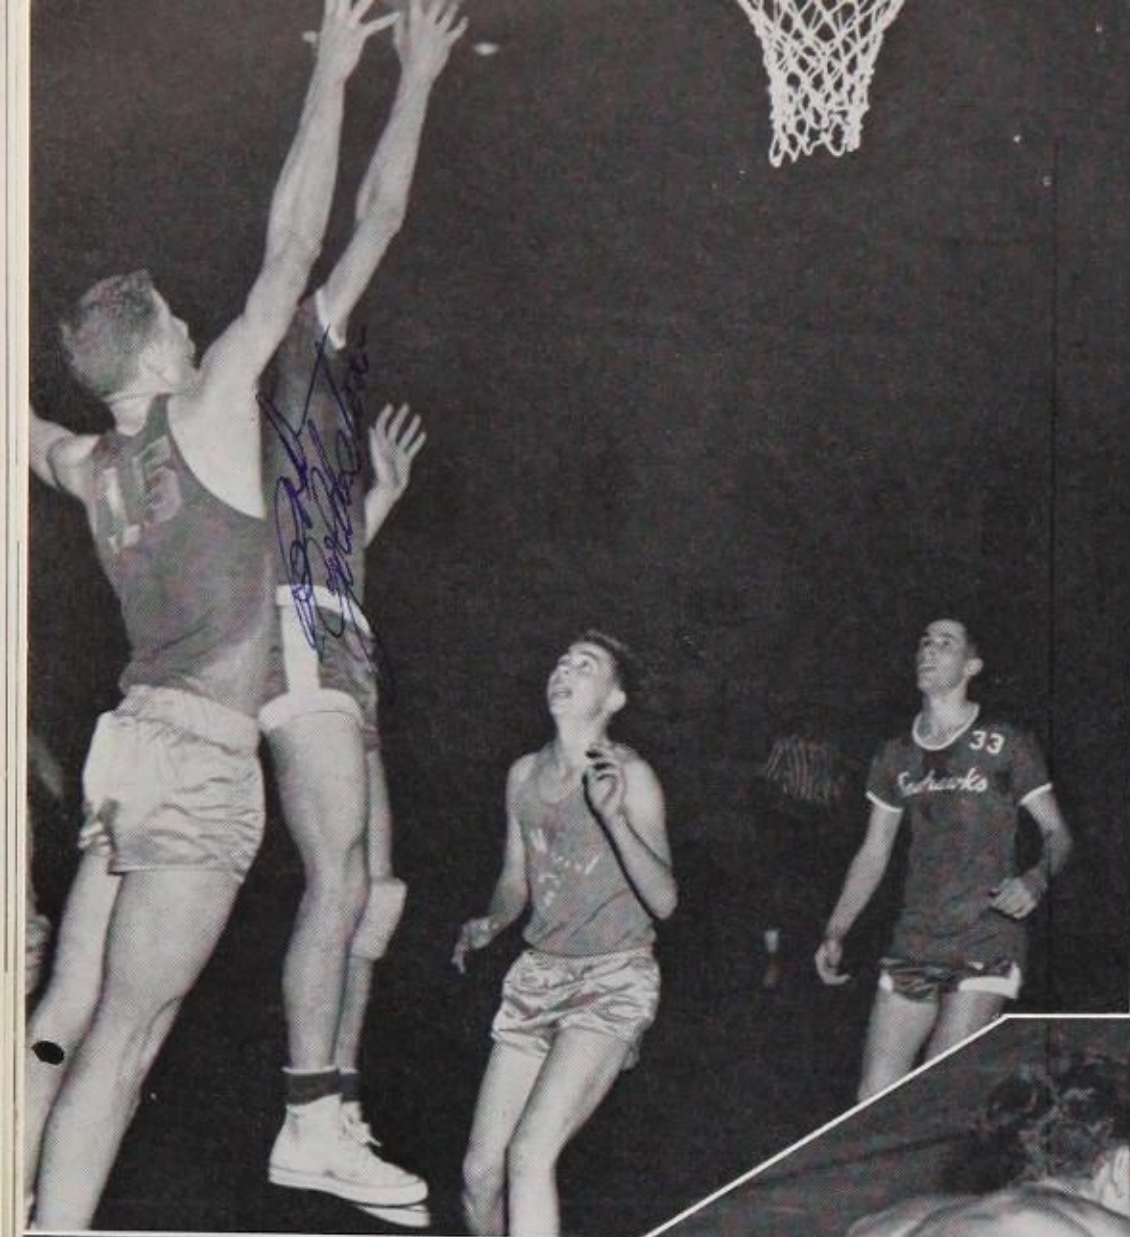

This year's record spotlights one Bay League champion, the Cee squad. The Varsity lost six; the jay-vees dropped nine; and the Bees, three.

CEES (Bay League Champions)—Back row: Conger, Newman, Vaupel, Smith, Stahr, Delgado. Front row: Sickels, Watt, McCann, Cassidy, Lujan, Coach Kincannon.

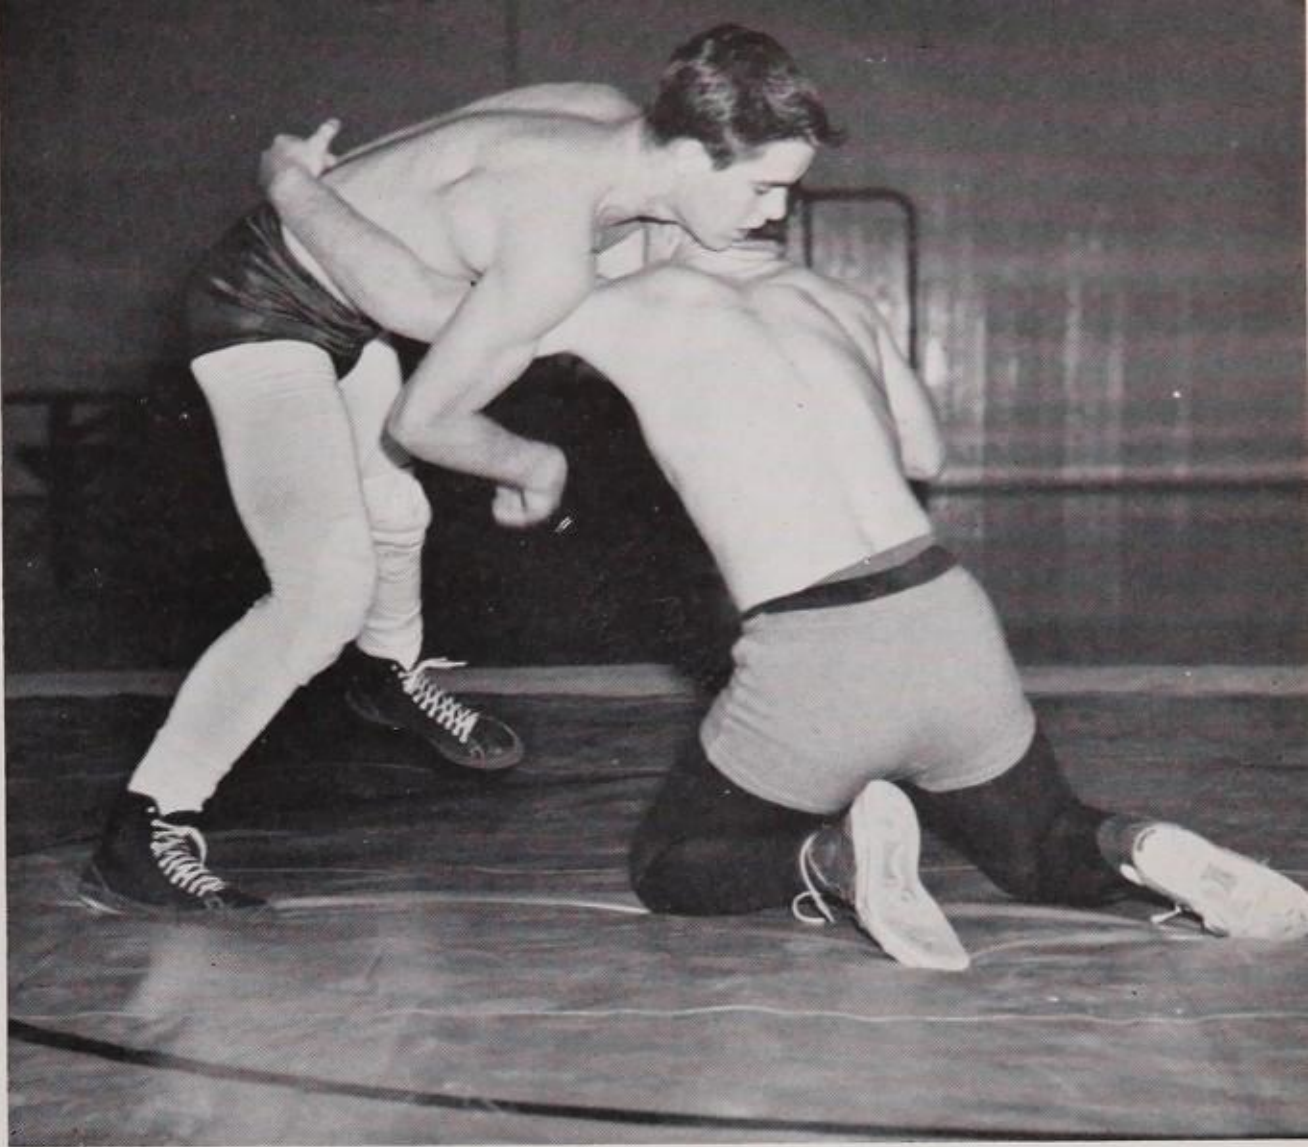

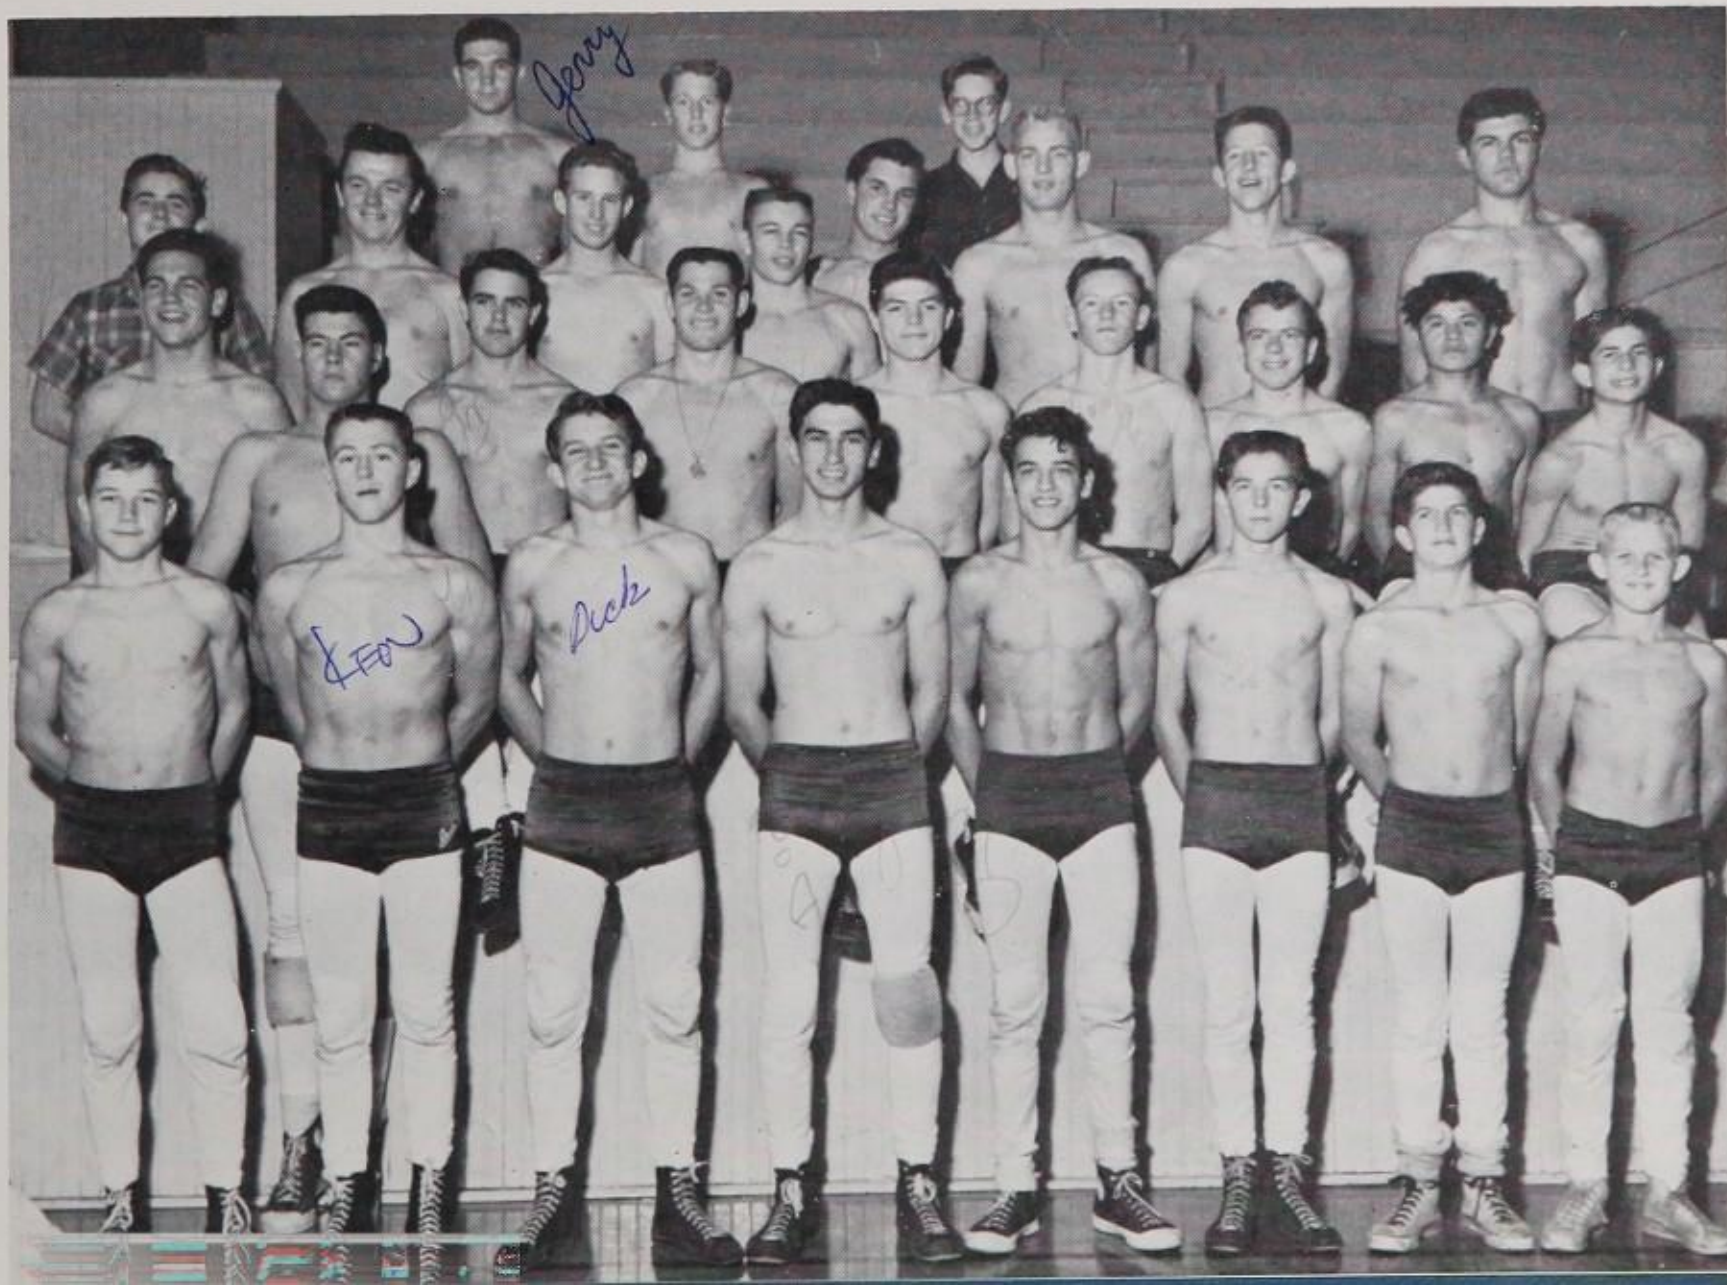

WRESTLING

page 97

WRESTLING is the Johnny-come-lately of organized sports on the home campus. Redondo entered Bay League competition in the fall of 1947. In 1950, the squad began its five-year monopoly of the loop title. For the past four years the writhers have been runners-up in the C.I.F. mat meets. This year Alex Felix, Ken Gardiner and Richard Neese are California champions in their respective weight classes.

WRESTLERS (Bay League Champions)—Back row: Branam, Addleman, Manager Smith. Third row: Manager Cobabe, Webb, Peck, Sylvester, I. Felix, Beall, Keelor, A. Felix. Second row: Curling, Ewing, Johnson, Stuck, Mumford, McDonnell, Peterson, Hernandez, Trujillo. Front row: Douglas, Gardiner, Neese, DeAnda, Caruso, Townsend, Griffith, Coyle.

CLASS B, back row: Webb, Whittlesey, Combs, Bowers, Ashworth, E. Willoughby, Scrivens, Key, Goss, DeAnda, Freeman, Seifert, Galbavy, Perley. Front row: Nettleton, Dailey, Reynolds, Dale, Guynes, J. Garcia, Elkins, F. Lujan, Nakauchi, Delahanty, T. Little, Parkhurst, Hyde, P. Hernandez.

TRACK

page 98

In the 1915 PILOT, TRACK is mentioned as being "unorganized" although some of the boys competed at Compton in running and field events. With the founding of the boys' physical education department, this activity began to acquire status, eventually earning a C.I.F. (Southern Counties) trophy in 1927, and a state championship in 1946. The Class A, Class B, Class C, and Cross Country squads have accumulated a total of thirteen Bay League awards in the past thirty years of competition.

CLASS A, back row: Neal, A. Delight, Sales, Higbee, Hoyem, Chaffee, Trimble, Baden, Goldstone. Front row: Bushelle, D. Smothers, Kobayashi, Gregory, Dick, Brouws, Barnes, Sturges.

Burt

VARSITY—back row: Coach Cardona, Sorenson, Compher, Irvine, Gillham, Beall, Kulpaca, Blodgett, Gambrell, Terry. Front row: Manager Burt, Valenzuela, Stamis, Bryson, E. Smith, Hemp, Cawdrey, Peterson, Manager Cox.

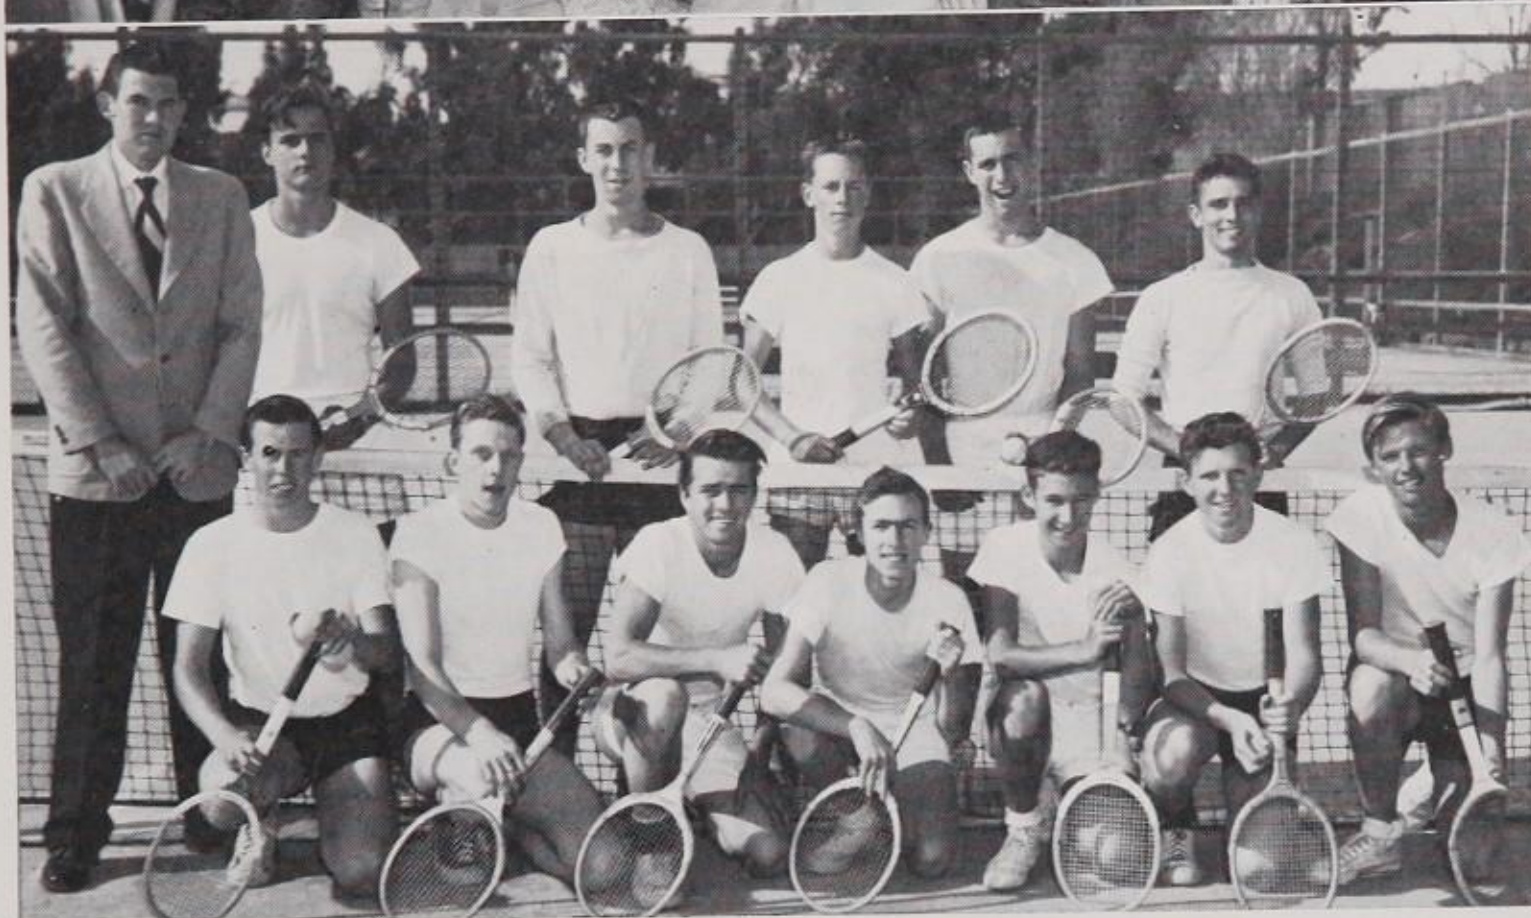

BASEBALL

page 100

BASEBALL is the senior sport at R.U.H.S. It was organized in 1910 and was a part of the sports program before there was a Bay League or a physical education program. Because this is a late spring sport, it does not get the recognition that it rates, although the 'Hawks have copped two Bay League championships, in '35 and in '45. The Junior Varsity makes its bow again this year.

JUNIOR VARSITY—back row: Manager Roleff, Niemann, Spikes, Frye, B. Nelson, Karavas, Hand, Coach Hall. Middle row: E. Nelson, Paine, Burris, G. Watt, Beattie, Duarte. Front row: Banta, Delgado, Veltre, Cookus, Demaray.

GOLF: Chaney, Coach Dickhart, D. Walker, Striff. (Not pictured, C. Walker, Stewart, Gambrell).

TENNIS: Coach Kincannon, Ellinghouse, Blacet, Knudsen, Moore, McMasters, D. Jones, Segar, R. Willoughby, N. Brown, Shupps, McConnell, Ellis.

GOLF has had an off-again, on-again history on this campus since the capture of the Bay League Invitational trophy in 1929. TENNIS courts were built at Redondo in 1910. Since that time Seahawks have had a continuous interest in this sport although they have never been able to equal Samohi's preeminence in the Bay League.

THE BOYS' "R" CLUB began, traditionally, with the awarding of the first school letters at the end of the 1915-1916 season. From time to time since then, letter holders have affiliated and acted as a group, but it is difficult to trace continuous activities before 1926.

Physical education classes for girls began on this campus in 1916. Hockey entered the pattern of major sports in 1925, joining basketball, volleyball and softball; minor sports have varied from year to year. The GIRLS' "R" CLUB, dating informally from 1916, was reorganized on a point system in 1923. The GIRLS' ATHLETIC ASSOCIATION made its bow on this campus in December of 1938, a part of The Woman's National Amateur Athletic Federation. The annual FIESTA and the autumnal activities of the DRILL TEAM, revived after a two-year lapse, are vital parts of the athletic program.

Song and Cheer Leaders: Bagby, Higbee, Sullivan, Chemnitzer.

MODERN DANCE

page 110

Introduced to this campus in 1939, MODERN DANCE was first an extra-curricular activity, then a club, and, finally, a part of the physical education program in 1942. Annual recitals highlighted each year from the beginning until 1951. These programs grew into a full-fledged dance drama with the production of "Irish Fantasy." This year, once again, the rhythms classes put their best feet forward in an Allied Arts presentation, supported by the band and singing groups.

GIRLS' SPORTS

Girls' sports follow the seasons. Fall brings hockey, winter, volleyball; spring, basketball; and summer (well, late spring), softball. This pattern began with the girls' physical education program, in 1916. However, it did not take its present shape until 1925, when hockey was the last of the major sports to be introduced.

page 113

Even before there were gym classes, there were young feminine athletes; the 1915 PILOT shows two fair charmers out for tennis.

Some minor sports which have come and gone were hiking and swimming (gone with the plunge). Also gone is Gala Day, which was replaced by the present annual Playday.

This is the way that the old campus looked from the air back in 1916. The street cars from Los Angeles still rocked down Diamond Street after coming out of the cut back of the present Boys' Gym. The tennis courts are on the site of the present, but *passee*, Lincoln building. The old garage was housing school rolling equipment even then, and gym classes were meeting in the old Continuation building, which had housed classes during the building program when the 1906 model was making way for the newer model. This picture shows the old campus at the beginning of phase two.

Dear Paul

THE
LIONS' CLUB
of
REDONDO BEACH

The Lions' Club of Redondo Beach is in its thirtieth year of existence, and during these thirty years the club has been an enthusiastic supporter of the Redondo Union High School and all of its many activities.

One of our most enjoyable activities is that of sponsoring the annual Football Banquet. We have sponsored this affair for the past twenty-seven years, and are most hopeful of being able to sponsor this event for many years to come.

Each year we have as an honorary member of the club a student of Redondo Union High School, who attends our weekly meetings and keeps the club personnel informed on the activities of this splendid high school. We also sponsor a speaking contest each year, and the representatives from Redondo Union High School have never failed to make a most impressive showing in this contest.

The Lion's Club Good Citizenship Award is a coveted prize for a boy and a girl of Redondo Union High School. The award is made each year at graduation.

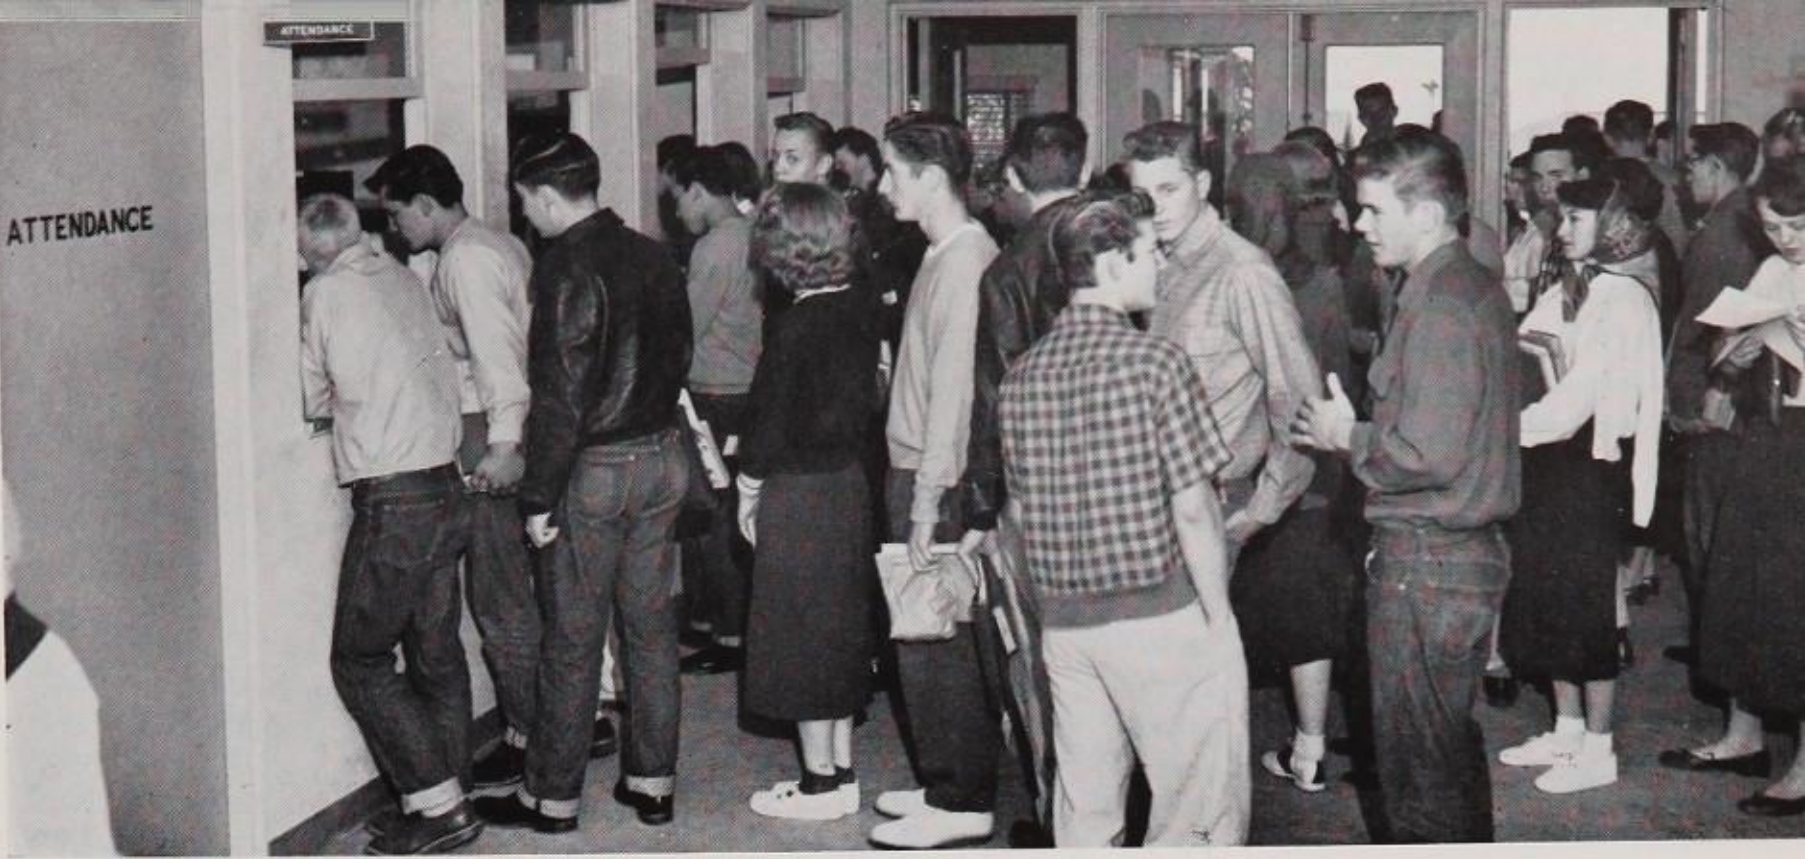

The Lions' Club sponsors many high school activities and, in turn, the high school has initiated a program of permitting the Lions' Club to sponsor the football program at one of its games, with the proceeds derived from the sales of the program being used for our Sight Conservation Project.

We again extend our very best wishes to the graduating seniors of 1954, and offer our congratulations to those of you who are returning for being fortunate enough to again have the privilege of attending this fine school.

Yours Truly
Tom Morgan
